Bank At Strawn Robbed of \$30,000 By Three Bandits

(By Associated Press) STRAWN, Dec. 22. — Forcing bank officials and customers into the vault, three unmasked robbers at 3:30 o'clock Monday afternoon two sisters survive. robbed the First National Bank of this city of approximately \$30,000 in cash and Liberty Bonds.

After looting the bank of prac tically everything that looked like money, the robbers escaped in a five-passenger automobile. The last seen of the car it was headed toward Fort Worth, on what is known as the "Old Fort Worth Highway".

News Is Spread.

The three bank officials and an equal number of customers locked in the vault took the combination off the door to effect their release. The robbery did not become known until they had freed themselves, some 15 minutes after being lock-

Stuart notified the local telephone operator, who spread the news, and within a few minutes half a dozen automobiles started a chase for the fleeing robbers.

Were Middle Aged Men.

From the best reports available the three robbers had an accom plice who waited in the automobile which was parked on the north side of the bank. President Stuart, who obtain good descriptions of the three men, stated they were all of middle aged, well dressed and all wore overcoats.

In addition to President Stuar officials of the bank present at the time of the hold-up were W. L. Stephen, vice president, and Jos

Citizens Forming Texas Panhand'e and Gulf Railroad Company, Headquarters at Fort Worth, Ask Interstate Commerce Commission to Proceed With Financing Plan.

(By Associated Press)

WASHINGTON, Dec. 22. - Permission to proceed with the financing plan for constructing 325 miles of new railroad from Tucumcari, New Mexico, to Fort Worth was asked of the Interstate Commerce Commission today by a group of Fort Worth citizens, organized as the Texas Panhandle and Gulf Railroad Company. An issue of \$9. 000,000 in bonds and \$3,000,000 of capital stock is contemplated for the proposed line, which would cost about \$7,200,000. Its promoters propose to raise most of the funds by the sale of the securities in the territory where it would operate.

Allen Academy Is Given Praise For Work Done

Principal Nat B. Allen, of the Allen Military Academy, has just received from the Department of Education the information that the Adams in "Peter Pan" was due to as a member of the Southern Association of Schools and Colleges for the ensuing year in the annual meeting at Charleston, S. C. This report, together with the reports made a short time ago by the in spector from the Texas Depart ment of education, is very encour aging. The Academy has the greatest enrollment the school has ever enjoyed and very complimentary reports as to the discipline, facul ty and actual school-room work being maintained are very gratify A survey of the previous records of the school have been completed and the scholarship average for the new year has been increased over the excellent standards maintaind heretofore.

Co-Operation Works Wonders.

In speaking of the "better farm ing program" fostered by the Cof feyville, Kansas, Chamber of Commerce, the Missouri-Pacific Agricultural Development Bulletin concludes: "The work that the Coffeyville Chamber of Commerce is doing in co-operation with the farmers is highly commendable, and should serve as an example to other associations of a like nature. It is important that civic organzations work in close co-operation with the farmers of their counties f farming conditions are to be improved and both city and country are to prosper."

Farmers Buying Too Much Feed. One day last week there were of feed stuff, corn, oats, hay, Mrs. Fultz, and father Mr. Jody dy, G. C. Sublette, P. H. Hensarl- Those children making highest bserved on Bryan Street 20 cars maize, etc., but one feed dealer, who stated that he had done more business that day than in any previous week in the history of his hope he will soon recover. business, said that the cars in can prosper and continue such a onditions.

Drive In World On Padre Island

(By Associated Press) BROWNSVILLE, Dec. 23 .- The irfside drive, which is to run 135 miles along Padre Island, connecting Brownsville and Corpus Christi, is to have a telephone station every fine miles for the convenience of tourists who might have automobile trouble along the route Poles for the telephone line have been received here and at Corpus Christi. They are being placed along the Island The drive, when completed, will

be the longest island drive in the world, it is said, and will shorten the distance from Brownsville to Corpus Christi more than 50 miles Ferries will connect the island with he mainland at both ends, the ferry boats being in service now and are conveying material for the road and the bridges.
